

Additional Terms And Conditions For The Purchase Of Goods And Services (the “Terms”)

Rebel Systems LLC

For the purposes hereof, the term “Buyer” shall mean Rebel Systems LLC, and the term “Supplier” shall refer to the party from whom Buyer is purchasing such goods or services on the applicable Purchase Order (the “PO”).

- 1. Order of Precedence.** In the event of any inconsistency between any parts of these Terms, the inconsistency shall be resolved by giving precedence in the following order: (i) change order document; (ii) purchase order document; (iii) these Terms; (iv) any specifications, drawings or statement(s) of work, and (v) any other provisions set forth in other referenced documents.
- 2. Acceptance of Goods.** Buyer's payment of the purchase price, or any part thereof, does not constitute acceptance of the goods or services. Goods and services are subject to inspection and rejection by Buyer within a reasonable time following receipt by Buyer. Risk of loss does not pass to Buyer until acceptance of the goods or services. To the extent practicable, defective or nonconforming goods will be returned to Supplier at Supplier's sole cost and expense, and the risk of loss with respect to such defective or nonconforming goods shall never pass to Buyer and shall remain with Supplier. Any additional terms proposed in Supplier's acceptance of Buyer's offer, which add to, vary from, or conflict with the terms herein are hereby objected to by Buyer. Any such proposed terms shall be void and the terms herein shall constitute the complete and exclusive statement of the terms and conditions of the contract between the parties and may hereafter be modified only by written instrument executed by the authorized representatives of both parties. Any of the following shall constitute Supplier's unqualified acceptance of the PO and these terms and conditions: (a) acknowledgment; (b) furnishing of any part of the goods, services or products; (c) acceptance of any payment for the goods, services or products; or (d) commencement of performance.
- 3. Property.** All jigs, dies, molds, equipment or other items owned by Buyer and used by Supplier hereunder, shall remain the property of Buyer, shall be kept in safe custody, shall not be removed from Supplier's facility without written consent from Buyer and shall not be used for the manufacture of products for anyone other than Buyer. All deliverables created specifically for Buyer hereunder shall be owned by Buyer and shall be considered work made for hire by Supplier for Buyer. If any such deliverable is not considered a work made for hire, Supplier shall assign, or obtain an assignment to, as applicable, all of the rights, title and interest in and to such deliverables to Buyer.
- 4. Cancellation.** Buyer may cancel or terminate any PO, or any portion thereof, at any time, for any reason, including for the convenience of Buyer without being liable for any termination fee or any other penalty or charge. Enumeration of certain rights does not exclude others given by law. In such event, Buyer shall have all rights and obligations accruing to it either at law or in equity, including Buyer's rights to title and possession of the goods and materials paid for. Buyer may take immediate possession of all work so performed upon notice of termination. Supplier shall immediately stop work and limit costs incurred on the terminated work. Upon termination for convenience, Buyer, after deducting any amount(s) previously paid, shall reimburse Supplier for the actual, reasonable, substantiated and allowable costs with the total amount to be paid by the Buyer being determined by negotiation and shall not exceed the value of the PO. Buyer shall not be obligated to pay Supplier any costs incurred by Supplier to the extent Supplier can use or incorporate the goods into other purchase orders of Buyer, or for purchase orders, or for the benefit, of any other customer of Supplier.
- 5. Stop Work Order.** Buyer may, at any time, by written notice to Supplier, require Supplier to stop all or part of the work called for by the PO for a period of ninety (90) days after such notice is delivered to Supplier. Within ninety (90) days after such notice is delivered to Supplier, or within any extension of the period to which the parties have agreed, Buyer shall either: (a) withdraw the notice and direct

Supplier to resume work, in which event Supplier may be entitled to receive an equitable adjustment of the PO price or schedule or both, provided a claim for such an adjustment shall be submitted by Supplier within thirty (30) days after the end of the period of work stoppage; or (b) terminate the work and the PO or part thereof.

- 6. Changes.** Buyer may change the specifications, description of services, goods, or any aspect thereof or anything relating thereto prior to receiving goods from, or the completion of services to be performed by, Supplier. If such change changes the cost or time required for performance under any PO, Supplier shall promptly notify Buyer of such change and Buyer shall have fifteen (15) business days within which to withdraw its request for change or accept the new terms. If Buyer does not respond to Supplier's notice within twenty (20) business days, the request for changes shall be deemed withdrawn and Supplier shall perform such PO under its original terms.
- 7. Intellectual Property.** "Intellectual Property" shall mean creations of the mind including: ideas, inventions, works of authorship, and symbols, names, images, and designs embodied in for example, technical data, designs, information, computer software, drawings, formulae, specifications, diagrams, processes, know-how, procedures and technology and all legal rights in such creations of the mind. Each party shall retain and exclusively own all rights in its background Intellectual Property and in all foreground Intellectual Property that it creates. Intellectual Property jointly generated by employees of more than one party shall be jointly owned. Neither party shall have any obligation to account to the other party for income arising from use of the jointly owned foreground Intellectual Property. Supplier hereby grants to Buyer a non-exclusive, worldwide, right and license to copy, modify, use, sell, offer for sale and disclose any work or other deliverable delivered by Supplier under the PO for the performance of the PO and any higher tier contract. If the work or other deliverable contains third party intellectual property, Supplier agrees to obtain the rights from the third party that are sufficient for Supplier to grant Buyer the rights in the above license. Supplier warrants that it has the rights in the work or other deliverable sufficient to grant to Buyer the above license.
- 8. Timing.** Time is of the essence in the performance of any PO. Supplier shall promptly reimburse Buyer for any loss or increased costs, including downtime or overtime costs, incurred by Buyer as a result of obtaining such substitute goods or services.
- 9. Taxes.** Supplier is solely responsible for the payment of any sales, use or other tax or duty levied or based on the price of any goods, work or services provided pursuant to any PO. If Buyer pays any such tax or duty, Supplier shall promptly reimburse Buyer therefore.
- 10. Price, Payment, Duties.** If no price is stated in any PO, Supplier shall charge the lowest prices previously quoted or charged Buyer for like goods or services in like quantities under similar conditions. Supplier warrants that the prices stated in any PO are the lowest net prices charged by Supplier to any other customer for like goods or services in like quantities under similar conditions. If such lower price is quoted within thirty (30) days after delivery to Buyer, Supplier shall promptly pay to Buyer a rebate in the amount of the difference of such amounts within ten (10) days of such lower quote. Buyer shall have a right to recoup or setoff, as the case may be, against payments due or at issue under the PO or any other contract between the parties.
- 11. Disputes.** Any dispute arising under or in connection with the PO with respect to the rights, duties, or obligations of the parties shall be submitted in writing for resolution to ascending levels of management of the respective parties. Buyer may withhold the disputed invoice amounts while the parties try to resolve the dispute. If a dispute cannot be resolved to both parties' mutual satisfaction, after good faith negotiations, within ninety (90) days from the date the written claim is received by the other party, or such additional time as the parties agree upon in writing, either party may bring suit only in a state or federal court located in the State of Florida. Pending any resolution, or final decision referred to in this clause, or the settlement of any dispute arising under the PO, both parties shall proceed diligently, with their respective obligations under the PO. Payment of any fees by Buyer shall not waive any rights, claims or remedies. To the maximum extent permitted by law, the parties waive any right to a jury trial. Buyer shall not be liable for penalties of any description. Any action resulting from any breach on the part of Buyer as to the products, goods and/or services delivered hereunder must be commenced within one year after the cause of action has accrued.

- 12. Indemnification.** Supplier shall indemnify, defend and hold harmless Buyer, its shareholders, subsidiaries, affiliates, officers, directors, attorneys, employees, agents, successors and assigns from and against any and all losses, obligations, liabilities, claims, suits, judgments, damages (whether incidental, consequential, or otherwise), penalties, fines, costs and expenses (including, without limitation reasonable attorney's fees) arising out of, or in connection with (a) the violation or alleged violation of any law, ordinance, regulation, or rights of third parties by reason of performance or nonperformance by Supplier of any PO; (b) breach of any term, condition, covenant, agreement, representation or warranty by Supplier; (c) any infringement or alleged infringement of any patent, copyright, trademark, or other intellectual property relating to the use or design of any equipment, materials, goods or services furnished by Supplier under any PO or the processes or actions employed by or on behalf of Supplier in connection with any PO; (d) injury or death to persons or any real or personal property damage, arising from or relating to the goods or services provided by Supplier under any PO or acts or omissions of Supplier or its officers, directors, employees, agents, contractors or subcontractors; or (e) claims arising from or relating to injuries to or death of Supplier's employees, including but not limited to claims based upon allegations of negligence of Buyer. The indemnity provided in clause (e) is applicable to claims for which Supplier has or may have immunity under the applicable worker's compensation laws, or other similar law, and Seller agrees and acknowledges that by undertaking to indemnify Buyer, Supplier is expressly undertaking indemnification liability by written contract pursuant to the applicable worker's compensation rules and regulations, or any other similar law. Supplier's obligations under this section shall not be limited to its insurance coverage.
- 13. Insurance.** Supplier agrees to maintain commercially reasonable levels of insurance coverage, including: (1) Commercial General Liability and Errors and Omissions Insurance with a limit of not less than one million U.S. dollars (\$1,000,000) covering liability for property damage and bodily injury, including death to any person; (2) Automobile liability insurance with bodily injury and property damage limits of not less than one million U.S. dollars (\$1,000,000); and (3) "Umbrella" liability insurance in an amount not less than five million U.S. dollars (\$5,000,000) to cover claims in excess of the coverage limits provided above. - 14. Confidentiality.** Buyer, or third parties on Buyer's behalf, may disclose to Supplier, certain confidential or proprietary information ("Buyer Confidential Information"). For a period of five (5) years after termination or expiration of the PO, Supplier shall not disclose and shall, to the extent within its control, prevent the disclosure by others of the Buyer Confidential Information to any third party without the prior written consent of Buyer. Supplier agrees not to use, or make copies, of the Buyer Confidential Information except as required for the performance of its obligations under the PO, and agrees to limit access to the Buyer Confidential Information to its own employees, agents and consultants strictly on a "need to know" basis; provided, however, that such agents and consultants have executed an agreement with Supplier with confidentiality provisions at least as restrictive as those contained herein. Upon expiration or termination of the PO and if requested by Buyer, Supplier shall, to the extent possible, promptly return all of the Buyer Confidential Information. Each party acknowledges that the disclosure of confidential or proprietary information of the other may give rise to irreparable injury which may be inadequately compensable in damages. To the extent Supplier breaches, or Buyer could reasonably believe Supplier may breach, its confidentiality obligations stated herein, Supplier consents to Buyer obtaining injunctive relief to prevent, or otherwise limit the damages of, any such breach or threatened breach.
- 15. Subcontractors.** Supplier may subcontract any portion of a PO to another person furnishing labor or materials to Supplier for the performance of any PO (collectively the "Subcontractors"), but Supplier shall nevertheless remain primarily liable and fully responsible for the performance of the obligations

under such PO. If Supplier is subcontracting a service, Supplier must first obtain Buyer's written consent to use Subcontractors prior to subcontracting or otherwise permitting Subcontractors to perform services. No subcontract shall increase the fees or the scope or amount of expenses passed through to Buyer. Supplier shall cause its Subcontractors to, and remains fully responsible if they do not, comply with these Terms.

- 29. Waiver.** Neither the failure nor any delay by Buyer in exercising any right, power or privilege under these Terms or any PO, will operate as a waiver of any such right, power or privilege, and no partial exercise of any such right, power or privilege will preclude further exercise of such right, power or privilege or the exercise of any other right, power or privilege.
- 30. Governing Law.** All POs and transactions contemplated thereby shall be governed by, and construed in accordance with, the domestic internal laws of the State of Florida without regard to its principles pertaining to the conflict of laws.

Each party shall give the other immediate notice of any event that such party claims is a force majeure condition that would prevent the party from performing its obligations hereunder, and of the cessation of the condition. A party's notice shall include the party's good faith estimate of the likely duration of the force majeure condition.
- 35. Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL BUYER'S CUMULATIVE LIABILITY TO SUPPLIER FOR ALL CLAIMS, LIABILITIES, LOSSES, DAMAGES, COSTS AND EXPENSES RELATING TO A PO, OR THE GOODS OR SERVICES PROVIDED THEREUNDER, EXCEED THE AMOUNT OF THE PURCHASE PRICE FOR ANY SUCH GOODS OR SERVICES IN CONNECTION WITH THE APPLICABLE PO, LESS ANY AMOUNTS ALREADY PAID BY BUYER FOR SUCH GOODS OR SERVICES.
